**OVERVIEW:**

Built in 1986 as the Dumont Plaza, the hotel has always been an ideal choice for both business and leisure travelers. A three-year, \$15-million renovation saw the hotel relaunched in May of 2003 as the Affinia Dumont, New York's first Executive Fitness Suite Hotel. In addition to providing guests with the highest standards in technological capabilities, the hotel caters to guests' fitness and wellness needs through the Oasis Day Spa by providing a Fitness Concierge and Fitness Locker service as well as special amenities for in-room workouts. The Affinia Dumont is part of the Affinia Hotels brand.

**LOCATION:**

Conveniently and centrally located in the historic Murray Hill neighborhood of Manhattan, the Affinia Dumont is in close proximity to Madison Avenue's corporate centers and shops, Seventh Avenue's fashion district, the Jacob Javits Convention Center, Madison Square Garden, Empire State Building and major department stores such as Macy's and Lord & Taylor. Transportation is easily accessible, as Penn Station, Grand Central Station and the 34<sup>th</sup> Street Heliport are all just a few blocks away.

**GENERAL MANAGER:**

David McManus

**BARKING DOG:**

The Affinia Dumont's restaurant, **Barking Dog**, features American favorites for breakfast, lunch, dinner, and brunch including healthy menu options. Barking Dog provides in-room dining and catering for the hotel, and is open from 7am – 11 pm daily. In the summer the large patio opens for outdoor dining.

**MEETING/BANQUET FACILITIES:**

The Rafferty Room, an 1100-square-foot space, can be divided into two smaller meeting rooms to accommodate 12 to 80 people. The room contains a drop-down screen, high-speed Internet access and full banquet facilities.

**DESIGN & DÉCOR:**

The design, by DiLeonardo International, incorporates an earth-tone palette and evokes comfort with modern sophistication using plush carpeting, oversized furnishings and soft, customized lighting. Personal touches such as throw pillows, chenille wraps and artisan pieces make guests feel as if they are at home. Large executive desk and ergonomic chair allow business travelers to spread out and work while on the road.

Oversized wall mirrors are strategically placed for in-room workouts. An umbrella stand/valet is in every room with complimentary umbrella for guest use during their stay. Many rooms feature built-in wall units to maximize space.
